Dear Taxpayer

The forms and instructions included in this booklet are provided to you based on the information from your 2000 return. Before you start, please check **Which Form to File** on page 5 of these instructions to see which form you should use this year. If you need additional forms, check our Web site at www.ador.state.al.us, or you may use the order blank on page 23 of this booklet.

Providing the most prompt and efficient service possible is one of the primary goals of the Department of Revenue. We have continued to update our processing methods to enable us to make progress toward this goal. However, our performance also depends on your accuracy and promptness. If you have questions about the status of your refund, please call VRIS (Voice Refund Inquiry System) at (334) 353-2540.

You can do some important things to make sure that your 2001 return can be processed efficiently this year. If you owe additional tax, completing **Form 40V** will help us identify and apply your payment. If you are due a refund, please see **Common Mistakes Which Delay Refunds** on page 4.

If you need help in completing your return or if you have a question about your tax return, please call or come by one of our Taxpayer Service Centers in your area. The addresses and phone numbers are listed for your convenience just inside the front cover of this booklet.

The Department of Revenue has made consistent improvement in processing returns. Please help us continue this improvement by mailing your return as early as possible. If you have any suggestions for the forms or instructions, please write and let us know.

Thank you for your cooperation.

Alabama Department of Revenue

What's New For 2001?

Form 40V – If making a payment with your return, you **must** complete Form 40V and submit it along with your payment, loose in the envelope with your return.

Credit Card Payments – You may be able to use your credit card to pay your tax liability. Please see instructions for paying by credit card in the Forms Section of this booklet.

Federal Tax Liability Deduction – If claiming a federal tax liability deduction on line 10 of Form 40A, **YOU MUST ATTACH** a copy of page 2 of your 2001 Federal Form 1040, page 1 of your 2001 Federal Form 1040A or 1040EZ, or a copy of your Telefile Schedule. Also, for 2001, you are no longer required to report the federal income tax refund from your previous year's federal return. See page 8 for more details.

Federal Tax Rebate – If you were eligible for a Federal Tax Rebate from the Internal Revenue Service in 2001, you must report the amount

you were entitled to on your tax return. See page 8 (Federal Tax Liability Deduction).

Federal Refund Offset Program – Your 2001 federal or state refund will be taken to satisfy any outstanding liabilities owed to the State of Alabama or to the Internal Revenue Service.

Electronic Filing – Receive your refund faster by electronically filing your return. **Direct deposit** of your refund is now available on electronically filed returns only. Visit our Web site, or talk with your tax preparer for more information.

Bar-Coded Returns – In an effort to improve efficiency and accuracy, the department will accept bar-coded returns. Check with your preparer or software vendor to see if this option is available to you.

When Should I Expect My Refund?

Wait At Least 12 Weeks For Your Refund

If you do not receive your refund within 12 weeks of mailing your return, call our Voice Refund Inquiry System (VRIS) at (334) 353-2540 (see page 12 for details), or complete **Form IT:489**. This form may be obtained from any of our District Taxpayer Service Centers listed on page 2 of this booklet. If you call about your refund, have a copy of your return with you or the Department may be unable to assist you.

Each year the Alabama Department of Revenue receives over 1.8 million income tax returns. Of this number, over 1 million taxpayers receive refunds. The Department makes every effort to process your refund as quickly as possible, and there are several things you, the taxpayer, can do to help us accomplish this.

The date you file your return and how you file determines when you can expect your refund. For example, electronically filed returns are received and processed significantly faster than returns that are mailed to the Department of Revenue. Also, if you mail in an error-free return in January or February, you can expect to receive your refund sooner than if you wait until March or April to file. Last year over 50 percent of the income tax returns filed were received between April 1 and April 15. Returns filed this close to the deadline may require 10 to 12 weeks to process.

Common Mistakes Which Delay Refunds

Failure To Use Peel-Off Label. Use of the peel-off label you received in the mail will help the Department process your refund faster. However, many taxpayers fail to check the information on the labels for accuracy. Make certain the name(s), address, and social security number(s) are correct.

Incorrect Name. Your refund check will be issued in the name(s) appearing on your return. If your name is illegible or misspelled, your refund check may be issued in the wrong name.

Incorrect Address. Last year the U.S. Postal Service was unable to deliver thousands of refund checks due to incorrect addresses, or because the taxpayer moved and failed to leave a forwarding address.

Incorrect Social Security Number. Last year approximately 80,000 returns were received with missing or incorrect social security numbers. Your social security number is very important; it is used for identification of your file. Please compare the number on your return with the number on your social security card. **DO NOT ASSUME THAT THE SOCIAL SECURITY NUMBER ON THE PEEL-OFF LABEL IS CORRECT; CHECK IT CAREFULLY.**

CAUTION:

If the peel-off label is for a joint return, make certain the social security numbers are listed in the same order as the first names appearing on the label.

If you do not have a label, show in the blocks provided the social security numbers in the same order as the first names. For example, the social security number of the first name listed should be entered in the box headed "Your social security number." The social security number of the second name should be entered in the box headed "Spouse's social security number." If separate returns are filed, the person filing the return should enter his or her social security number in the box headed "Your social security number," and enter the spouse's name and social security number on line 5. It is very important that the social security numbers be listed in this order so your refund check will be issued in the correct name.

Legibility. On many returns, the name, address, or social security number is not readable. If this happens, the wrong information may be recorded, and your refund check may be delayed. Make sure that the information you enter on the return is readable.

Missing Withholding Statement (W-2). Make certain the State Copy of all Forms W-2 Wage and

Tax Statements are attached. W-2s are frequently left off the return.

Incorrect Computation. Many returns must be corrected each year by the Department due to simple math errors. Before mailing your return, double check the addition and subtraction to make sure the math is correct. This is a good idea even if someone else prepares your return.

Misdirected Mailing. Each year thousands of returns are mailed to the Internal Revenue Service instead of the Alabama Department of Revenue. Use the envelope you received with this booklet or follow the mailing instructions on your return.

Filing More Than One Return. File only one Form 40, 40A, 40NR or electronic return for each tax year. If it is necessary to amend your original return, you **must** file **Form 40X**, Amended Alabama Income Tax Return. The amended return will be processed after your original return has been processed.

Filing Copies. A copy of a return is not acceptable unless it has the taxpayer(s) original signature(s).

Missing Signatures. Thousands of unsigned returns are received each year by the Department. Before we can process them, these returns must be returned to the taxpayers for signatures. If a joint return is filed, both spouses must sign the return.

Other Reasons For Refund Delays

You Have Not Paid All Taxes Due From a Previous Year. If you owe tax for a prior year, your refund will be applied to pay that deficiency. Any amount remaining will be refunded to you. This will generally delay your refund 12 weeks or more.

Setoff Debt Collection. If the Alabama Department of Human Resources, the Alabama Department of Industrial Relations, or the Alabama Medicaid Agency has notified the Alabama Department of Revenue that your account is delinquent on a debt repayment, any public assistance program (including the Child Support Act of 1979, Chapter 10, Title 38), or any Medicaid assistance program, your refund will be applied to that debt. **NOTE: See Setoff Debt Collection on page 12 for further information.**

Federal Refund Offset Program. Your 2001 federal or state refund will be taken to satisfy any outstanding liabilities owed to the State of Alabama or to the Internal Revenue Service.

How To Use This Instruction Booklet

The instructions for **Form 40A** are divided into four main sections.

- **SECTION 1** contains information on who must file, how to choose the correct form, and when to file a return.
- **SECTION 2** contains useful steps to help you prepare your return.
- **SECTION 3** contains specific instructions for most of the lines on your return.
- **SECTION 4** contains general information about such items as amending your tax return, how long to keep records, and filing a return for a deceased person.

If you follow the steps in Section 2 and the specific instructions in Section 3, you should be able to complete your return quickly and accurately.

SECTION 1 Filing Information

First, be certain you need to file a tax return. Your marital status, filing status, and gross income determine whether you have to file a tax return. Gross income usually means money, goods, and property you received on which you must pay tax. It does not include nontaxable benefits. See pages 7 and 8 of the instructions to find out which types of income you should include.

Other Filing Requirements

Refunds. Even if your income was less than the amounts shown you must file a return to get a refund if Alabama income tax was withheld from any payments made to you.

Domicile. Individuals who are domiciled in (or residents of) Alabama are subject to tax on their entire income, whether earned within or without Alabama. This is true regardless of their physical presence within Alabama at any time during the tax-

able year. Domicile is where one lives, has a permanent home, and has the intention of returning when absent. Domicile may be by birth, choice, or operation of law. Each person has one and only one domicile which, once established, continues until a new one is established coupled with the abandonment of the old. Burden of proof regarding change of domicile is on the taxpayer even though he/she owns no property, earns no income, and has no place of abode in Alabama.

If an Alabama resident accepts employment in a foreign country for a definite or indefinite period of time with the intent of returning to the United States, the individual remains an Alabama resident and all income, wherever earned, is subject to Alabama income tax. This is true even if the taxpayer leaves no property in Alabama.

If a citizen of a foreign country comes to Alabama to work (no matter how long he stays), buys a home, secures an Alabama driver's license, does not intend to apply for U.S. Citizenship, and intends to ultimately return to the country of origin, the individual will be considered to have established domicile in Alabama. In other words, a foreign citizen domiciled in Alabama is liable for Alabama income tax on income earned from all sources.

Military Personnel (Residents). Military personnel whose legal residence is Alabama are subject to Alabama income tax on all income regardless of source or where earned unless specifically exempt by Alabama law.

Military personnel (Army, Navy, Marine, Air Force, Merchant Marine, and Coast Guard) who were residents of Alabama upon entering military service remain residents of Alabama for income tax purposes, regardless of the period of absence or actual place of residence, until proof regarding change of home of record has been made. The burden of proof is on the taxpayer though he owns no property, earns no income, or has no place of abode in Alabama. Under the provisions of the Soldiers' and Sailors' Civil Relief Act, military personnel are not deemed to have lost their permanent residence in any state solely because they are absent in compliance with military orders. In addition, persons are not deemed to have acquired per-

manent residence in another state when they are required to be absent from their home state by virtue of military orders. If the husband and wife are both in military service, each could be a resident of a different state under the Soldiers' and Sailors' Civil Relief Act. A spouse not in military service has the same domicile as his/her spouse unless proven otherwise.

Military Personnel (Nonresidents). Nonresident military personnel merely having a duty station within Alabama (whose legal residence is not Alabama) are not required to file an Alabama income tax return unless they have earned income from Alabama sources other than military pay. If they have earned income in Alabama other than military pay, they are required to file Alabama Form 40NR. A married nonresident with income earned in Alabama may file either a separate return claiming himself or herself only, or a joint return claiming the total allowable personal exemption.

Dependent's and Student's Income. Dependents who are residents of Alabama must file a return if they meet the requirements under You Must File A Return If... (on this page). A student's income is fully taxable to the same extent as other individuals who are required to file a return. If a return is required, the dependent or student can claim a personal exemption of \$1,500, and his or her parents may claim a dependent exemption of \$300 if they provided more than 50% of his or her total support.

When To File

You should file as soon as you can after January 1, 2002, but no later than April 15, 2002. If you file late you may have to pay penalties and interest. (See **Penalties and Interest** in these instructions.) If you know you cannot meet the April 15 deadline, you should ask for an extension using **Form 4868A**, Application for Extension of Time to File Alabama Income Tax Return. This form must be filed by April 15, 2002, or it will not be approved. If April 15 falls on a Saturday, Sunday, or State holiday, the due date will be considered the following business day.

Original returns must be filed within two years of the date the taxes are paid to be eligible for a refund. Criminal Liability could result from a continued failure to file returns. (Refer to "**Criminal Liability**" on Page 11.)

Note: Form 4868A extends the time to file your return without being charged a failure to timely file penalty. However, you will be charged interest at the same rate as currently prescribed by the Internal Revenue Service on any additional tax due when your return is filed.

Which Form To File You MAY Use Form 40A If You Meet ALL Of The Following Conditions:

- You were a resident of Alabama for the entire year.
- You do not itemize deductions.
- You do not claim any adjustments to

income such as an IRA deduction, alimony paid, Federal income tax paid for a prior year, etc.

- You do not have income from sources other than salaries and wages, except for interest and dividend income, which cannot exceed \$1500.00.
- You are not claiming income or a loss from Schedules C, D, E, or F.
- You are not claiming credit for taxes paid to another state.

You MUST Use Form 40 If:

- You were a full or part-year resident of Alabama and do not meet **ALL** of the requirements to file Form 40A.
- You are itemizing deductions.

You MUST Use Form 40NR If:

- You are not a resident of Alabama, you received taxable income from Alabama sources or for performing services within Alabama, and your gross income from Alabama sources exceeds the allowable prorated personal exemption. Nonresidents must prorate the personal exemption. If your Alabama gross income exceeds the prorated amount, a return must be filed.

You MUST Use Both Form 40 and Form 40NR If:

- You had sufficient income to require the filing of a part-year return and also had income from Alabama sources while a nonresident during the same tax year. In this case, both the total personal exemption and the dependent exemption **must** be claimed on the part-year resident return. No exemption can be claimed on the nonresident return. The part year resident return should include only income and deductions during the period of residency, and the nonresident return should include only income and deductions during the period of nonresidency.

SECTION 2 Steps for Preparing Your Return

By following these five useful steps and reading the line-by-line instructions, you should be able to prepare your return quickly and accurately.

Step 1

Collect all your necessary records.

Income Records. These include any **Forms W-2** and/or **1099** that you have. If you do not receive a Form W-2 by February 1, OR if the one you receive is incorrect, please contact your employer as soon as possible. Only your employer can give you a Form W-2, and only he or she can correct it.

If you have someone prepare your return for you, make sure that person has all your income and expense records so he or she can fill in your

return correctly. Remember, even if your return is prepared by someone else, you are still responsible.

Step 2

Use the mailing label we sent you.

The label helps us identify your account and saves processing time.

Step 3

Sign and date your return.

Form 40A is not complete unless you sign it. Your spouse must also sign if it is a joint return. Original signatures are required or the return will not be accepted.

Step 4

Attach all W-2 or 1099 forms to your return.

Attach the copy of Form W-2 marked "To Be Filed With Your State Income Tax Return" to the front of your return.

Step 5

Before mailing your return.

If you owe tax, complete Form 40V. Before mailing your return, be sure to include a completed Form 40V along with your payment loose in the envelope.

Make sure you have an exact copy of your return for your records.

SECTION 3 Specific Instructions

NOTE: You must complete your Federal return before you complete your Alabama return.

Name and Address

Please use the **preprinted** mailing label. If you do not have a label, type or print your name, address, and social security number in the appropriate blocks.

If you are filing a joint return and have different last names, separate the names with an "and." For example: "John Brown and Mary Smith."

NOTE: Do not attach your label to the return until the return is completed. Please make sure the information on the label is correct.

If your name has changed or if you were married or divorced during the year, please correct the name portion of the label. If you moved during the year and the label shows your old address, correct the label using your new address. Corrections should be made by drawing a line through the incorrect information and adding the new informa-

tion on the label. If you live in an apartment, please include your apartment number in the address. If the post office delivers mail to your P.O. Box number rather than to your street address, write the P.O. Box number instead of your street address.

Always leave a forwarding address with your local post office when you move.

Social Security Number

Each year thousands of taxpayers file returns using an incorrect social security number. Usually this number belongs to another taxpayer. It is very important that you file your return using the correct social security number. Failure to use your correct social security number(s) in the space(s) provided **WILL DELAY** the processing of your refund. Listed below are a few of the common reasons why a social security number is reported incorrectly:

- failed to verify information on preprinted label
- memorized wrong number
- copied number wrong
- gave an incorrect number to the tax preparer
- gave your employer an incorrect number.

IMPORTANT: Check your W-2 forms. Your employer may be reporting an incorrect number for you.

If you are married and filing a joint return, write both social security numbers in the blocks provided.

Caution: If the label is for a joint return and the social security numbers are not listed in the same order as the first names, write the numbers in the correct order.

If you are married and filing separate Alabama returns, write your spouse's name and social security number on line 5.

If your spouse is a nonresident alien, has no income, does not have a social security number, and you file a separate return, write "NRA" in the block for your spouse's social security number. If you and your spouse file a joint return, your spouse must have a social security number.

If you or your spouse do not have a social security number, please get **Form SS-5** from a Social Security Administration (SSA) office. File it with your local SSA office early enough to get your number before April 15. If you have not received your number before April 15, file your return and write "applied for" in the block for your social security number.

IMPORTANT: Please notify the Social Security Administration (SSA) immediately in the event you have changed your name because of marriage, divorce, etc., so the name on your tax return is the same as the name the SSA has on record. This may prevent delays in processing your return.

Filing Status and Personal Exemption Lines 1 through 5

You should check **only** the box that describes your filing status. The personal exemption will be determined by your filing status on the last day of the tax year.

Single

Consider yourself single if on December 31 you were unmarried or separated from your spouse either by divorce or separate maintenance decree.

If you check box 1, enter \$1,500 on line 11.

Married

Joint or Separate Returns?

Joint Returns. Most married couples will pay less tax if they file a joint return. If you file a joint return, you **must report all income, exemptions, deductions, and credits for you and your spouse.** Both of you must sign the return, even if only one of you had income. The State of Alabama does recognize a common law marriage for income tax purposes.

Caution: You cannot file a joint return if you are a resident of Alabama and your spouse is a resident of another state. You should file as "married filing separate."

You and your spouse can file a joint return even if you did not live together for the entire year. Both of you are responsible for any tax due on a joint return, so if one of you does not pay, the other may have to.

Note: If you file a joint return, you may not, after the due date of the return, choose to file separate returns for that year.

If your spouse died in 2001, you can file a joint return for 2001. You can also file a joint return if your spouse died in 2002 before filing a 2001 return. For details on how to file a joint return, see **Death of Taxpayer** on page 11.

If you check box 2, enter \$3,000 on line 11.

Separate Returns. You can file separate returns if both you and your spouse had income, or if only one of you had income. If you file a separate return, report **only** your own income, exemptions, deductions, and credits. You are responsible only for the tax due on your own return.

Note: Alabama is not a community property state.

If you file a separate return, write your spouse's full name and your spouse's social security number on line 5 in the space provided. If your spouse is not required to file a return, attach a statement explaining why.

If you check box 3, enter \$1,500 on line 11.

Head of Family

An individual shall be considered "Head of Family" if, and only if, such individual is not married at the close of their tax year, is not a surviving spouse and their qualifying dependent is not a foster child.

You may check the box on line 4 **ONLY IF** on December 31, 2001, you were unmarried or legally separated and meet either test 1 or test 2 below.

Test 1. You paid **more than half** the cost of keeping up a home for the entire year, provided that the home was the main home of your parent

whom you can claim as a dependent. Your **parent** did not have to live with you in your home;

OR

Test 2. You paid **more than half** the cost of keeping up a home in which you lived and in which one of the following also lived for more than 6 months of the year (temporary absences, such as for vacation or school, are counted as time lived in the home):

a. Your **unmarried** child, grandchild, great-grandchild, etc., adopted child, or stepchild. This child does not have to be your dependent.

b. Your **married** child, grandchild, great-grandchild, etc., adopted child, or stepchild. This child must be your dependent. But if your married child's other parent claims him or her as a dependent under the federal rules for **Children of Divorced or Separated Parents**, this child does not have to be your dependent.

c. Any relative you can claim as a dependent. (See definition of a dependent on page 10.)

If the person for whom you kept up a home was born or died during the year, you may still file as "Head of Family" as long as the home was that person's main home for the part of the year he or she was alive.

If you check box 4, enter \$3,000 on line 11.

If you claim "Head of Family" filing status, you must also complete line 5. Show on this line the name, social security number, and relationship of the person who qualifies you as "Head of Family." This person should also be listed on page 2, Part II, line 1a, if you provided over 50% of his or her support.

Income

All income is subject to Alabama personal income tax unless specifically exempted by state law. The term "income" includes, but is not limited to, salaries, wages, commissions, income from business or professions, alimony, rents, royalties, interest, dividends, and profits from sales of real estate, stocks, or bonds. Military pay is taxable income except for compensation received for active service in a designated combat zone.

- Beginning January 1, 1998, all benefits received from Alabama Prepaid Tuition Contracts (PACT).

Rounding Off to Whole Dollars

Round off cents to the nearest whole dollar on your return and schedules. You can drop amounts under 50 cents. Increase amounts from 50 to 99 cents to the next dollar. For example: \$1.39 becomes \$1.00 and \$2.69 becomes \$3.00.

Lines 6a through 6d Wages, Salaries, Tips, Etc.

Show the name and address of each employer on lines 6a through 6d. In the column headed "Income," show the amount of wages, salaries, fees, commissions, tips, bonuses, and other amounts you were paid before taxes, insurance, etc. were deducted.

If you had more than 4 employers during the tax year and the space provided on lines 6a through 6d is insufficient for listing each employer, you should attach a list with identical headings and list all employers and amounts on this schedule. On line

6a write "See Attached List," and record in columns A and B the totals for withholding and wages for all employers as listed on attached schedule.

Include the amount shown in the box headed "State Wages" on your **Form W-2** in the total on line 8. The amount shown in this box may or may not be the same as the amount taxable for federal purposes. Report all wages, salaries, and tips you received even if you do not have a Form W-2.

Note: *State of Alabama employees will find that the amount taxable for state purposes is, in most cases, more than the amount taxable for federal purposes due to the fact that amounts deducted from their wages as "Contributions to the Alabama State Retirement System" qualify for deferral on the Federal return but do not qualify for deferral on the Alabama return.*

Alabama Income Tax Withheld

In the column headed "Alabama tax withheld," enter the amount of Alabama income tax withheld by each of your employers. The amount withheld is shown on the state copy of your Form W-2. This copy should be marked "To Be Filed With Your State Income Tax Return."

Note: *Do not change or alter the amount of tax withheld or wages reported on your Form W-2. If any amount is incorrect or illegible, contact your employer and request a corrected statement.*

Do not include the following as Alabama income tax:

- Federal income tax,
- FICA tax (Social Security and Medicare),
- Local, city, or occupational tax, or
- Taxes paid to another state.

List amounts withheld separately on the same line with the employer's name and amount of income.

Add the Alabama income tax withheld together and enter the total on line 19.

Line 7

Interest and Dividend Income

If income from interest and dividends is more than \$1500, you cannot file Form 40A but must file Form 40.

Line 9

Standard Deduction

You **must** complete the worksheet on page 2, Part III of Form 40A to figure the correct standard deduction allowable. A dependent or student may take the standard deduction even if claimed as a dependent by someone else.

Line 10

Federal Tax Liability Deduction

Alabama residents should deduct the federal income tax liability as shown on their 2001 federal income tax return less any Federal income tax rebate for 2001.

You must complete Part IV, page 2 of Form 40A to determine the amount of your Federal tax liability deduction.

Joint Federal and Separate Alabama Returns, or Part Year Residents. If a married couple elects to file a joint federal return and separate Alabama returns, or if filing as a part year resident, the federal income tax liability must be determined by a ratio of Alabama adjusted gross income to federal adjusted gross income. This calculation is required regardless of the method used in claiming other deductions.

Line 11

Personal Exemption

Enter the personal exemption from line 1, 2, 3, or 4. A dependent or student may take the personal exemption even if claimed as a dependent by someone else.

Line 12

Dependent Exemption

Complete page 2, Part II, and enter the amount from line 2 on line 12, page 1.

Line 15

Figuring Your Tax

Find the tax for the amount on line 14. Use the Tax Tables on pages 14 through 19.

Line 16

Consumer Use Tax

When you shop at retail stores and many other business establishments in Alabama, the price you pay for the retail purchases you make usually includes Alabama sales taxes. This tax is calculated at the rate of 4% of the cost of the item(s) you purchased. When you make retail purchases for similar items from businesses located outside of Alabama (mail order, Internet, telephone, while on vacation, etc.), you are responsible, as the consumer, for ensuring that the Alabama sales tax (which is called a "consumer use tax") is paid on these purchases if the business from which you made your purchase did not charge you Alabama sales tax for your purchase(s) and if the items you purchased are delivered to or brought back with you to Alabama.

Examples of retail purchases subject to Alabama sales (or consumer use) tax:

- Clothing
- Books
- Computers
- Computer Software
- Furniture
- Magazine Subscriptions
- Sporting Goods
- Jewelry
- Electronic Equipment
- CDs, DVDs, Audio & Video Cassettes
- Photographic Equipment
- Musical Equipment
- Automotive Accessories and Parts
- All other retail purchases subject to Alabama sales taxes

If you were charged a sales tax (other than Alabama sales tax) by the out-of-state business for the item(s) you purchased, you are allowed a credit against your Alabama consumer use tax due for

the amount of the sales tax you paid with your purchase, not to exceed 4% of the purchase price.

EXAMPLE: You purchased some electronic equipment over the Internet for \$2,000 from a business outside Alabama, and you were not charged any Alabama sales tax on your purchase. You also purchased \$500 of clothing during the year from various businesses outside Alabama (both over the Internet and while away on vacation), and were not charged Alabama sales tax on your purchases, but did pay \$10 in sales taxes in another state on some of the purchases. Based on this example, your Alabama Consumer Use Tax Worksheet would be completed as follows:

Description of Property	Purchase Price
Electronic Equipment	\$2,000.00
Clothing	500.00
1. Total	\$2,500.00
2. Consumer Use Tax (line 1 x .04)	\$ 100.00
3. Sales Tax Paid When Purchased	\$ 10.00
4. Total Due (line 2 less line 3)	\$ 90.00

Note: Do not use the worksheet to compute use tax on the following items:

- automobiles
- trailers, truck trailers, semi-trailers, travel trailers
- mobile homes
- motor boats which must be titled in Alabama

Tax on the above items will be collected at the time of registration by the appropriate county licensing official. For more information regarding Alabama consumer use tax call 334-242-1490.

Use the worksheet on this page to compute Alabama Use Tax.

Pay the full amount by check or money order payable to the "Alabama Department of Revenue." On your payment, write your social security number, daytime phone number, and "2001 Form 40A," and remit your payment with **Form 40V**. following funds as provided by the Alabama Legislature. The amounts entered on these lines will be paid to the programs you indicate. Any amount you contribute may be claimed if you itemize deductions when you file your 2001 Alabama Income Tax Return. (**Caution:** When reporting your refund on your 2002 Federal return, you should report the amount of overpayment shown on line 21 before your donation.)

Note: Amounts contributed to these funds **WILL REDUCE** your refund. Also, once an election is made to contribute to these funds, that election is irrevocable and cannot later be refunded. If your return is corrected by the Department, the amount contributed cannot be used to pay any additional tax due.

Did You Have Someone Else Prepare Your Return? If you fill in your own return, the **Paid Preparer's Use Only** area should remain blank.

Someone who prepares your return but does not charge you should not sign.

Generally, anyone who is paid to prepare your tax return must sign your return and fill in the other blanks in the **Paid Preparer's Use Only** area of your return.

If you have questions about whether a preparer is required to sign a return, please contact an Alabama Taxpayer Service Center.

Part I, Page 2 General Information

Part I (General Information) must be completed by all taxpayers. Please follow the line-by-line instructions on Form 40A to complete this section.

Part II, Page 2

Dependents

A "dependent" as defined under Alabama law is an individual **other than the taxpayer and his or her spouse** who received over 50% of his or her support from the taxpayer during the tax year and also has one of the following relationships with the taxpayer:

Son	Stepmother
Daughter	Stepfather
Stepson	Mother-in-law
Stepdaughter	Father-in-law
Legally adopted child	Brother-in-law
Parent	Sister-in-law
Grandparent	Son-in-law
Grandchild	Daughter-in-law, or if related by blood:
Brother	Uncle
Sister	Aunt
Stepbrother	Nephew
Stepsister	Niece

Note: You **cannot** claim a foster child, friend, cousin, or your spouse as a dependent under Alabama law.

Birth or Death of Dependent. You can take an exemption for a dependent who was born or who died during 2001 if he or she met the qualifications for a dependent while alive.

Support. You must have provided over 50% of the dependent's support in 2001. If you file a joint return, the support can be from you or your spouse. You **cannot** claim credit for a dependent if you gave less than 50% of the support under Alabama law as you can under federal law, in certain conditions.

In figuring total support, you must include money the dependent used for his or her own support even if this money was not taxable (for example: gifts, savings, welfare benefits). If your child was a student, do not include amounts he or she received as scholarships.

Support includes items such as food, a place to live, clothes, medical and dental care, recreation, and education. In figuring support, use the actual cost of these items. However, the cost of a place to live is figured at its fair rental value.

In figuring support, **do not** include items such as income taxes, social security taxes, premiums for life insurance, or funeral expenses.

The standard deduction is limited to 20% of the total income as shown on line 8 of Form 40A, but cannot be more than \$2,000 if you checked filing status 1, 3, or 4, nor more than \$4,000 if you checked filing status 2.

SECTION 4 General Information

This section contains general information about items such as amending your tax return, how long to keep records, and filing a return for a deceased person.

Penalties and Interest

Interest. Interest is charged on taxes not paid by their due date even if an extension of time is granted. If your return is not filed by the due date and you owe additional tax, you should add interest from April 15, 2002 to date of payment. Submit payment of the tax and interest with your return. The interest rate is the same as currently prescribed by the Internal Revenue Service. Any of the Alabama Taxpayer Service Centers listed on page 2 of this booklet can give you the current rate of interest at the time your return is filed.

Failure To Timely File a Return. You can avoid this penalty by filing your return by the due date. Alabama law provides a penalty of 10% of the tax due or \$50.00, whichever is greater, if the return is filed late. If you can show reasonable cause for filing a delinquent return, attach an explanation to your return.

Failure To Timely Pay Tax. The penalty for not paying the tax when due is 1% of the unpaid amount for each month or fraction of a month that the tax remains unpaid. The maximum penalty is 25%.

Note: If you include interest and/or either of these penalties with your payment, identify and enter these amounts on the bottom margin of Form 40A, page 1. **Do not** include interest or penalty amounts in "Amount You Owe" on line 20.

Other Penalties. There are also penalties for filing a frivolous return, underpayment due to negligence, underpayment due to fraud, substantial understatement of estimated tax, and failure to file estimated tax.

Any person failing to file a return as required by Alabama law or filing a willfully false or fraudulent return will be assessed by the Alabama Department of Revenue on the basis of the best information obtainable by the Department with respect to the income of the taxpayer.

Criminal Liability. Section 40-29-112, **Code of Alabama 1975**, as amended, provides for a more severe penalty for not filing tax returns. Any person required to file a return who willfully fails to file the return is guilty of a misdemeanor and, if convicted, will be fined not more than \$25,000 or imprisoned not more than 1 year, or both. Section 40-29-110 provides that any person who willfully attempts to evade any tax or the payment of any tax is guilty of a felony and, if convicted, will be fined not more than \$100,000 or imprisoned for not more than 5 years, or both. These penalties are in addition to any other penalties provided for by Alabama law.

Address Change

If you move after filing your return and expect a refund, you should notify the post office serving your old address so the postal authorities may forward your check. Also, send a change of address notice to: **Alabama Department of Revenue, Individual and Corporate Division, P.O. Box 327410, Montgomery, AL 36132-7410.** This will help us forward your check to you as soon as possible and allow us to mail next year's forms to your new address.

Writing To The Alabama Department of Revenue

Be sure to include your social security number and phone number in any letter to the Alabama Department of Revenue. (See "Where To File," page 10.)

How Long Should Records Be Kept?

Keep records of income, deductions, and credits shown on your return, as well as any worksheets used to figure them until the statute of limitations runs out for that return. Usually this is 3 years from the date the return was filed. If income that should have been reported was not reported and the income omitted is in excess of 25% of the stated income, the period of limitation does not expire until 6 years after the return was filed or 6 years after the due date of the return, whichever is later. There is

no period of limitation when a return is false or fraudulent, or when no return is filed.

Also keep copies of your filed tax returns as part of your records. You should keep some records longer than the period of limitation. For example, keep property records (including those on your own home) as long as they are needed to figure the basis of the original or replacement property. Copies of your tax returns will help you prepare future returns, and they are necessary if you file an amended return. Copies of your returns and your other records may be helpful to your survivor, or the executor or administrator of your estate.

Requesting a Copy of Your Tax Return

If you need a copy of your tax return or tax account information use **Form 4506-A, Request for Copy of Tax Form or Income Tax Account Information.** The charge for a copy of a return is \$5. There is no charge for tax account information.

Amended Return

If you have already filed a return and become aware of any changes to income or deductions, you must file **Form 40X, Amended Alabama Individual Income Tax Return**, to change those items.

Note: If your State return is changed for any reason, it may affect your federal income tax liability. This would include changes made as a result of an examination of your return by the Alabama Department of Revenue. Contact the Internal Revenue Service for more information.

Death of Taxpayer

If the taxpayer died before filing a return for 2001, the taxpayer's spouse or personal representative **must** file a return for the person who died if the deceased was required to file a return. A personal representative can be an executor, administrator, or anyone who is in charge of the taxpayer's property.

The person who files the return should write "DECEASED" after the decedent's name. Also write "DECEASED," the decedent's full name, and date of death across the top of the tax return.

If the taxpayer did not have to file a return but had tax withheld, a return must be filed to receive a refund.

If your spouse died in 2001, you can file a joint return even if you did not remarry in 2001. You can also file a joint return if your spouse died in 2002 before filing a 2001 return. A joint return should show your spouse's 2001 income before death and your income for all of 2001. Also write "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

If you are claiming a refund as a surviving spouse filing a joint return with the deceased and you follow the above instructions, no other form is needed to have the refund issued to you. However, any other filer requesting a refund due the deceased must submit positive proof that he or she is entitled to the refund. Attach the proof to the tax return. The Department will accept as positive proof

a copy of **Federal Form 1310**, Statement of Person Claiming Refund Due a Deceased Taxpayer.

Application for Extension (Form 4868A)

If you know you cannot file your return by the due date, you should file **Form 4868A**, Application for Extension of Time to File Alabama Income Tax Return.

Except in cases where taxpayers are abroad, no extension will be granted for more than 6 months. An extension, if granted, will be for a period of 4 months. Only in exceptional cases and where conditions set forth on application forms are met will a second extension for an additional 2 months be granted. Applications for extension must be on Form 4868A and must be submitted in time for consideration by the Alabama Department of Revenue before the due date of the return.

An approved extension means only that you will

not be assessed a delinquent penalty for filing your return after the due date. Interest on the additional tax due from the due date of the return and any penalties will be assessed if applicable to your return.

Note: *The Department will not accept Federal Form 4868 "Automatic Extension of Time to File Your Federal Return" in lieu of Alabama Form 4868A "Application for Extension of Time to File Your Alabama Return."*

Setoff Debt Collection

If you owe money or have a delinquent account under any of the following public assistance programs, your refund may be applied to offset that debt:

- Any and all of the public assistance programs administered by the Alabama Department of Human Resources, including the Child Support Act

of 1979, Chapter 10 of Title 38.

- Any and all of the assistance programs administered by the Alabama Medicaid Agency.
- Overpayment of unemployment compensation.

If the Alabama Department of Human Resources, Department of Industrial Relations, or the Alabama Medicaid Agency notifies the Alabama Department of Revenue that you have a delinquent account in excess of \$25, part or all of your refund may be applied to offset that debt. If you are married and filing a joint return, the joint refund may be applied to offset any of the above debts.

IMPORTANT: If you have been assessed taxes from a prior year, your current year refund will be applied to that debt even if the liability resulted from a jointly filed return.

Federal Refund Offset Program. Your 2001 federal or state refund will be taken to satisfy any outstanding liabilities owed to the State of Alabama or to the Internal Revenue Service.

Refund Hotline

The Alabama Department of Revenue's Voice Refund Inquiry System (VRIS) is a 24 hour a day Refund Hotline. The Department installed the Refund Hotline to serve the taxpayers of Alabama more efficiently and effectively.

The Refund Hotline is a simple, easy way for individuals to check on their Alabama income tax refund. To access the hotline, all the taxpayer needs is a touchtone phone, and a copy of their current year tax return.

How does it work?

The individual, with a copy of their return in hand, calls the Refund Hotline, (334) 353-AL40 (2540). The individual is asked to enter the following information by pressing the numbers on their phone keypad:

Step 1: The Form Type

Press 1 for Form 40A
Press 2 for Form 40

Press 3 for Form 40NR
Press 4 for an electronically filed return

Step 2: The first taxpayer's social security number (all nine digits).

Step 3: The filing status from the return.

Press 1 for Single
Press 2 for Married Filing Joint
Press 3 for Married Filing Separate
Press 4 for Head of Family

Step 4: The whole dollar amount of the refund.

After this information is entered and verified, a message will inform the individual of the status of the refund. Simple, quick, and easy!

NOTE: INCORRECT INFORMATION MEANS AN INCORRECT ANSWER.

All of the information you enter by phone must match all the information on the Revenue Depart-

ment's computer system **exactly**, or you will be told that your return is not in our system.

If you are told that the Department does not have your return, **DO NOT PANIC!** Did you enter the information correctly? If you are not sure, try again. If you did enter the information correctly, has your return been mailed long enough for it to be entered into the Department's computer system? Please allow enough time for your return to be entered into the system before calling back. The Department monitors the time it takes for a return to be entered into the Department's computer system and adjusts the time in the messages accordingly. The closer to April 15 that you file your return, the longer it will take to be entered into the system.

Remember, make sure you obtain a copy of your return from your tax preparer because the Refund Hotline is not just the quickest and easiest way to check on your refund, it is the best way to check on your refund.

NOTES

Tax Table

(Form 40A)

Based on Taxable Income

This tax table is based on the taxable income shown on line 14 of Form 40A and the filing status you checked on lines 1, 2, 3, or 4 of your return.

EXAMPLE:

Mr. and Mrs. Brown are filing a joint return and checked box 2 on their return. Their taxable income on line 14 of Form 40A is \$23,360. First, they find the \$23,300 - \$23,400 income line. Next, they find the column for married filing jointly and read down the column. The amount shown where the income line and the filing status column meet is \$1,088. This is the amount they must write on line 15 of Form 40A.
